

# Get to Know Your H2O!

Want to meet BVSD and SVVSD standards in a fun and engaging way? Join WASH Education staff for a two-day teacher workshop where you will learn all about the Saint Vrain and Boulder Creek watersheds. Participate in hands-on activities and receive resources for incorporating water education into your curriculum. Learn where our water comes from, how to measure dissolved oxygen, where to find aquatic insects and more. Water conservation, storm water pollution prevention, and community involvement will also be covered.

**When:** Wednesday, June 23 and Thursday, June 24, 8:30 a.m. to 4:30 p.m.

**Where:** Clerk and Recorder's Building, Houston Room,  
1750 33<sup>rd</sup> St., between Arapahoe and Walnut, Boulder.

**Cost:** *Free!* Lunch and snacks provided!

**Participants will receive WatershED**, an award-winning, standards-based resource guide which includes information and activities specific to the Boulder Creek and Saint Vrain watersheds. It is a collection of innovative, water-related activities that are interdisciplinary, hands-on, easy to use and FUN.

## Workshop benefits include:

- Graduate credit from Colorado School of Mines. Cost for the credit is \$45 for one semester hour. One hour credit will be available to those who attend both days.
- Lots of fun, outdoor activities and opportunities to network with scientists and other teachers.
- Fabulous prizes!

To register for the training, call 303-413-7385,  
or e-mail: [dierauf@ci.boulder.co.us](mailto:dierauf@ci.boulder.co.us).

# WASH

A partnership of communities in the  
Boulder and Saint Vrain watersheds working  
together to protect our water quality.
